- Close the lid as shown.

STEP 3: STACKING

- Place the second empty crate on top of the first, fitting it snugly between the interlock notches.
- Pack the second crate as you did the first.
- Continue the Stak-N-Store process 3-4 crates high.

STEP 4: READY TO GO

- Lastly, affix your move labels and security ties to the end of the crates for easy identification.
- Your Hassett Commercial mover will now move it.

- Simply reverse the Stak-N-Store process nesting one crate inside the other.
